

ATHLETES OF THE WEEK

Janae Dyck is our St. Mary's Athlete of the week, sponsored by Harley Phillips. She is a senior on the Auroras basketball team, who has worked hard and done everything that has been asked of her both on and off the basketball court. Over the past couple of weeks in league finals and Zones, Janae stepped in and played at a higher level to support the needs of her teams and finish the season on a strong note. While doing so, Janae averaged 12.4 points and 7.6 rebounds per game! We are proud of how she stepped up and contributed. Thank you for your dedication to the Auroras this season. Great work Janae!!

Jocelyn Planger is our St. Mary's Athlete of the week, sponsored by Harley Phillips. Jocelyn was recognized by her community coach for her performance in Taekwon-Do. Jocelyn is an extremely hard working athlete who not only spends hours in the dojang but at the gym cross training. Jocelyn was the TOP overall competitor from the Nationals in Regina with 3 gold medals and a Silver medal, not an easy task. All the coaches at Champion Taekwon-Do are excited to see what Jocelyn will accomplish next!

Mckenzie Siemens is our St. Mary's Athlete of the week, sponsored by Harley Phillips. McKenzie is a Grade 9 on the starting lineup of the Aurora basketball team. McKenzie brings a spark and energy to the team that is resilient and infectious. Her hustle on defense and going for the loose ball has created many turnovers as well as disruption to the other teams. McKenzie has a can-do attitude and willingness to work hard whether she is cheering for teammates from the sidelines or bringing the ball up the court as the point guard. Thank you for your dedication to the Auroras this season. Job well done McKenzie!!

Jack Bell is our St. Mary's Athlete of the week for his play on the St. Mary's Celtics high school boys basketball team. His dedication to the Celtics does not go unnoticed. Jack attends every practice and game, and always gives 100% effort on the court. His strong work ethic, and enthusiasm on defense is a contributor to the success of the Celtics basketball team. Keep up the great work Jack!

FOOD TRUCKS FOR THE FOOD BANK!

**The food trucks are coming BACK!
Thursday, June 16th!**

*Does your class want to be served first on food truck day? Bring in items for the food bank for your classes chance to be dismissed before everyone else! **Food bank items accepted now until April 14!** Please give items to Mrs. Ulrick in the library!*

Thank you to everyone who has contributed to our food drive! To date, we have collected almost 1500 items and we will continue to collect until Thursday, April 14th! A BIG SHOUT OUT to the O'Grady family who have donated a total of 588 items on their own as of March 30, 2022

Each grade has their own food truck game piece which is racing to the finish line. How far their truck moves, depends on how many items for the food bank students bring in. As each truck crossed the finish line, this will determine who gets to be served first, second, third, etc., on our food truck day on June 16.

The Grade 6 Band completed their annual workshop on March 16th. This year, the group stayed in Taber and worked with the grade 6 students from D.A. Ferguson and Barnwell school at the Taber Civic Centre. The students had a wonderful time and learned a great deal. Thank you to the following parents for helping out with supervising our students and moving instruments: Mrs. Church, Mrs. Kuryvial, and Mr Bruce. Your help is very appreciated.

The St. Mary's Junior/Senior Band trip to Banff will take place May 2nd to 4th. We wish the students and chaperones a safe trip.

The next executive meeting of the St. Mary's Band Booster Club will be Tuesday, May 31st at 7pm in the band room. All interested parents are invited to attend.

Looking for something to help keep your son/daughter motivated with their practicing? Our school library has a selection of Play-a-long books of various styles to help keep your child playing. They include a CD which has an accompaniment that goes along with the student's practicing. Please see Mrs. Ulrick or Mr. Makarchuk for more details.

RE: YOUTH RECRUITMENT - RYPEN

To Whom it May Concern,

The Rotary Youth Program of Enrichment (RYPEN) is an annual 4-day camp for aspiring leaders, aged 13 to 17. This once in a lifetime event is free to participants and sponsored by Rotary Clubs across the District 5360. RYPEN will run on September 16 to 19, 2022 at a camp on the Little Bow Travers Reservoir.

The camp is led by a group of committed professionals, many of them Rotarians, to make RYPEN a memorable experience. All adults at the camp carry current police record checks and have completed the Rotary Volunteer Application Process.

To ensure a successful event, we are reaching out to you to help us identify youth who will be interested to attend the camp. RYPEN is ideal for teenagers who are looking to grow, develop their leadership skills, expand their comfort zone, and try out a new adventure. Participants must be between 13 and 17 years old when the camp happens.

When considering someone as a participant, think about whether this person has demonstrated perseverance, courage, and resourcefulness. Academic standing should not be the deciding factor. Any young person that would benefit from developing their skills and confidence is welcome. Participants should be confirmed by June 30. This camp does fill up quickly, so we encourage participants to register as early as possible.

To register a youth, we recommend reaching out to your local Rotary club first to inquire about their available spots as this number will vary between clubs. You can find your nearest club at <https://rotary5360.ca/clubdirectory>. If your local club's spots have already been filled the youth can sign up for a waitlist for a limited number of community sponsorships. However, we strongly recommend connecting with your local club first as there is no guarantee when signing up for community sponsorship. More information, including the sign-up form, can be found on our website www.rypen5360.org.

Thank you for supporting us in finding youth that will benefit from this amazing experience. If you have any questions at all, please reach out to me or you can email rypen5360@gmail.com.

Sincerely,

Jerry Firth, Camp Coordinator

On behalf of the RYPEN Leadership Team
