Dear Sisters and Brothers in Christ,

As for us, we will walk in the name of the Lord our God forever and ever. Micah 4:5

Publicly funded Catholic education is a gift to be embraced with gratitude. As citizens in one of only three provinces and two territories with publicly funded Catholic education, we need to recognize the blessing, responsibility, and opportunity we have been afforded to lead our young people to Jesus Christ and form them in the faith of his Church. Within an increasingly secularistic society, parents are seeking a genuine Catholic education for their children. They entrust them to the educators, trustees, clergy and Catholic community, in the expectation that all will collaborate effectively to ensure that our young people encounter the love of God revealed in Christ. Let us all joyfully accept this challenge!

The theme for Catholic education 2022-2023 is “Walking Together in Catholic Education”. One year ago, our Holy Father called the faithful to experience a synodal process of communal listening, dialogue and discernment in relation to the mission of the Church. He described this as an invitation to the People of God to “walk together in faith”. In 2022, the Holy Father modelled the synodal experience when he welcomed Inuit, First Nations, and Métis delegates to the Vatican. Then, in his recent penitential pilgrimage to our nation, Pope Francis *walked with us* on the journey towards truth and reconciliation.

Throughout the synodal process in our respective dioceses, we heard again and again that the People of God are concerned for our children and families. As essential participants in the mission of the Church, Catholic schools have a vital role to play in providing opportunities for our students to encounter Jesus and walk with him. This “walking together” requires listening and dialogue. Yet, as Pope Francis has said, “We cannot create a culture of dialogue if we do not have identity.” (2) To fulfill their mission effectively, therefore, our schools must clearly understand Catholic identity and embrace it fully.

Furthermore, our theme, Walking Together in Catholic Education, gives expression to our solidarity and unity in the service of our young people. On the occasion of Catholic Education Sunday, we, the Bishops of Alberta and the Northwest Territories, wish to acknowledge with deep gratitude the “workers in the vineyards” of Catholic education. Parents, you are the first and primary teachers of your children. Thank you for your faithfulness and for choosing and supporting Catholic education. Teachers, the influence of your witness is beyond measure. By choosing to be a Catholic educator you have responded to a missionary vocation. Thank you. Clergy and parishioners, your prayers, support and active engagement with Catholic schools are evidence of our unity and commitment to young people. Thank you. To those in leadership roles, the decisions you make and the unity you model aim to foster within our schools a culture of faith in Christ and fidelity to his Word. Be assured of our readiness to support you in this heavy yet beautiful responsibility.

Sunday, November 6th, is an occasion for prayer, reflection and solidarity, as we acknowledge Catholic Education Sunday in Alberta and the Northwest Territories. As we gather in Eucharistic celebration in our parishes, let us offer prayers of thanksgiving for the gift of Catholic schools, together with petitions for the beloved young people entrusted to our care.

May God bless our Catholic schools.

Alumni News...

November
2022

ALUMNI PROFILE: Corey Persson Graduated 2002

I was born and raised in Taber and graduated from St. Mary's in 2002. My last day at St. Mary's was the groundbreaking and sod turning ceremony for the new school. I did not follow a traditional post-secondary school path after graduating. During high school, I worked at the local McDonalds, was awarded several promotions and continued down this career path for several years. In 2006, I started a role with Tim Hortons as a District Manager in southern Alberta. I held a variety of different positions during my tenure, living in Edmonton as well as Toronto for several years with the company. I most recently was in the position of Vice President of western Canada.

In August 2020, an opportunity became available to become a Tim Hortons Franchisee, currently owning the locations in Taber, Coaldale. We are under construction in Bow Island. I will always be thankful for the experiences and learning opportunities from St. Mary's. There are many fond memories. I have two children, Olivia and Jaxon. We enjoy spending time at our condo in Fernie as much as possible - especially in the winter to get some skiing in.

St Mary's Trivia

How many students are enrolled in St. Mary's for 2022?

ALUMNI PROFILE: Nash Sta. Maria 2022

“Surrounding myself with an environment that supports my religious beliefs is one of the reasons why attending St. Mary’s was important.”

Hello there, my name is Nash Sta. Maria! I was born and partially raised in Bulacan, Philippines. I went to a Catholic elementary school called Holy Lamb Academy. After moving to Canada, I continued my education in Taber, Alberta. I finished the rest of my elementary years at Central School. From grade six to high school I attended St. Mary’s. Here is where I met some of the most caring and loving peers. I also made some of my best memories, including library talks with Mrs. Ulrich, the outdoor ed. camp and sports. St. Mary’s helped broaden my knowledge and as well as strengthen my faith. I graduated from St. Mary’s in 2022. Currently I am in my first year of the Practical Nursing program at Lethbridge College. Ever since I was younger, biology and learning how our body works has always fascinated me. Taking the Practical Nursing Program at Lethbridge College gave me an opportunity to reach my dream profession, to become a nurse. After receiving my diploma, I plan to work as an LPN for a few years gaining experience and saving money. I will then, continue my studies in post-LPN to RN bridging program to become a Registered Nurse.

Morgan Bruce is our St. Mary's Athlete of the week, sponsored by Harley Phillips.. Morgan is on the JV Storm girls volleyball team. Morgan is very willing to hustle when she's on the court. She is always one of the first girls to help out with drills and practice. Morgan has a good attitude on and off of the court, and is ready to play whenever you need her. Her skill level has improved so much since the first practice. Morgan is always willing to learn new things and better her skills on or off the court. Great job Morgan!

Petra has earned many podium finishes at races all summer and is also a competitive swimmer dedicating many days a week to training. This past weekend she competed in Edmonton at the ASAA Provincial meet and recorded a time of 15.59 earning a silver medal finish. Her silver medal win is a huge achievement and we are so proud of her performance! Way to be Petra!

Sam is our St. Mary's Athlete of the week, sponsored by Harley Phillips. She is a member of the Aurorus volleyball team. Sam is this year's team captain, and it is well deserved. She continually shows a desire to improve her skills, and is a fierce competitor on the court. Sam plays with a cool demeanor, and is often the first to smile at herself when she makes a mistake. She is supportive of her teammates, understands sportsmanship, and works hard every moment she is on the court. Way to be Sam, St. Mary's is proud of you!

The next assignment is due December 1st.
