Principal's Message

Mr. Josh Van Uden

Dear St. Mary's Families,

Welcome back to a new school year! Our divisional faith plan introduces an inspiring theme to guide us: **"Open Wide the Doors! Sent to Share Christ's Love."**

This year, our focus centers on responding to God's love by seeking a personal encounter through the Sacred Heart of Jesus and the Eucharist. Our community formation and resources will highlight these pivotal themes throughout the year.

Let Your Light Shine

As we embark on this journey together, we are guided by Matthew 5:16: "In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven." This scripture speaks directly to our core mission—encouraging every student, staff member, and family to let their light shine brightly in everything they do.

It was wonderful seeing so many of you at Cornfest! Thank you to all who volunteered at our booth.

We strongly encourage our students to participate in the many extracurricular activities offered this year. We also invite parents to get involved—a great place to start is through our School Council and the Friends of St. Mary's Council.

Opening Our Hearts This Month

We begin the year inspired by Pope St. John Paul II, who famously urged us, "Do not be afraid. Open wide the doors for Christ." For many in our community, St. John Paul II holds a special place in our hearts.

Alongside his inspiring call, we are launching our exploration of the Mass this month by reflecting on the central role and importance of the Eucharist in our daily lives.

Supporting a Distraction-Free Environment

At St. Mary's School, we prioritize engagement, focus, and mental well-being. We want our students interacting face-to-face, building community, and learning without digital interruptions. Since 2024, we have maintained clear guidelines for the responsible use of personal electronic devices (PEDs), and we deeply appreciate your continued partnership in upholding these expectations.

If you need to reach your child urgently during the school day, please call our main office directly. We will relay the message immediately or bring your child to a school phone. To support classroom focus, please refrain from calling or texting your child's personal device during school hours.

For more details on school policies, please consult our [Student Handbook](#). (click link to be directed to our website)

Wishing you all a wonderful September. My door is always open if you have any questions or concerns. Let's make this year extraordinary—be a light, and let your light shine!

Sincerely,
Josh Van Uden

Hi, my name is Jenna Clarke, and I am so excited to be back at St. Mary School this year! I am originally from Taber and recently graduated from the University of Lethbridge with degrees in Kinesiology and Education.

This year, I will be teaching Math 20-3 and Math 30-3. I previously completed my second practicum at St. Mary School, and I really enjoyed my time here. I loved getting to know the students and being part of the school community, so I am very happy to be back!

Outside of school, I love staying active, playing ringette, and travelling. This summer, I travelled to Seattle to watch the Blue Jays and went to Utah to see Noah Kahan in concert!

I am looking forward to getting to know my students, building relationships, and having a great year together. I am so happy to be back at St. Mary School and can't wait to see what the year brings!

My name is Mrs. Hudson, I live in Taber with my husband and 4 children. I am excited to join this wonderful school community as an Education Assistant.

I have been working with the Holy Spirit School Division for the past couple of years, which has led me to this amazing opportunity. I believe every student deserves the opportunity to learn, grow and succeed in a way that supports their unique strengths and abilities. A fun fact about me is that I earned my Veterinary Technical Assistant Certificate with Honours.

New Faces at St. Mary's

Mrs. Rebecca Tivadar
Mr. Doolittle

Hello St. Mary Community! My name is Mrs. Tivadar, and I am thrilled to join the team this semester as an interim teacher. I hold a degree in neuroscience with distinction and am currently completing my teaching degree to share my passion for the sciences. This semester, I'll be teaching Science 9 and Science 14 but say hi if you see me around the school or assistant coaching JV volleyball. I am truly looking forward to a fantastic term and can't wait to meet you all!

Miss Darci Roelofs
Mrs. Lequiere

Hi! I'm Mrs. Roelofs! I am a PSIII intern from the University of Lethbridge and am majoring in New Media. I am teaching English 6, CTF 7/8/9, and CTS 10/20/30. If I'm not at school, there's a good chance I'm either somewhere in the mountains on my bike or skis, taking photos with my camera, covered in flour making sourdough, or watching a movie I've probably already seen three times.

Mr. Aiden Lair
Mrs. Meier

I will be teaching Science 7, Science 8, Science 10 in Fall Semester! I specialized in science education and biological sciences at the University of Lethbridge, a fun fact about me is that I am fluent in French. I also am originally from Okotoks Alberta, and my placement here was the first time that I have ever visited Taber!

Mr. Spencer Trotter
Mr.B

Hi! My name is Mr. Trotter, and I will be teaching grade 6-9 Physical Education. Growing up, baseball and hockey were a big part of my life, and they were important in developing my love for being active. I am extremely passionate about living a healthy and active lifestyle and I cannot wait to share this passion with students. In my free time I enjoy playing and watching all types of sports. I am extremely competitive and love watching my team's win. This is unfortunate because my favourite teams are the Toronto Maple Leafs and the Toronto Bluejays. Spending time outside with friends and family is one of my favourite ways to relax. I love driving out to the mountains and exploring all that this beautiful country has to offer. I cannot wait to begin this school year and get to know all the amazing students at St. Mary's School!

News from our St. Mary's Band Booster Club

Any student who is using a school instrument is reminded to get their instrument rental sheets in, signed by a parent, and their \$70.00 rental fee in to the school so that they can be issued an instrument right away. Grade 6 parents are reminded that if they are providing their own instrument, it needs to be at the school by Monday, September 21st.

The St. Mary's Band Booster Club will be holding its Annual General Meeting on Tuesday, September 15th at 7:00 in the band room. Although this meeting will not be long, it is very important to the ongoing strength of the St. Mary's band program. We have almost 100% of our instruments rented out to students. It is important that we start adding to our inventory to ensure all of our students have the opportunity to take band. All students who are in band are asked to have at least one parent at this meeting so we can get this year off to a good start. We will also be discussing our band activities for all grades as well as looking for volunteers for our executive positions. These are very simple, but important positions and please consider helping us out.

The St. Mary's Band Booster Club will begin our first fundraising activity if this year in the last week of September. We will also be selling Dieleman's chocolates and gift products at that time. Funds raised from that project will go into the students' individual accounts. More information will be available in a few weeks.

The St. Mary's Jazz Band will hold its first rehearsal on Tuesday, September 15th from 3:20 to 4:20 in the band room. Students registered in band class at St. Mary's from grades 7-12 are welcome to attend. Traditionally, only saxes, trombones, and trumpets play in the jazz band, but we will accommodate any instrument played in the St. Mary's Band. In addition, drummers, piano players, electric and bass guitar players are welcome. Anyone interested in playing in the Jazz Band must be enrolled in band at St. Mary's. If you are interested, please see Mr. Makarchuk before this date.

All band students, from grades 6-12 will be completing a Home Performance Assignment every month. Students will be required to take their instrument home and play for a parent, grandparent, or other adult and have them fill out an evaluation form. Students will also be completing a self evaluation of their performance. Forms will be available the second week of September and are due back the first school day of the next month. (September's form is due October 1st) Grade 6's do not have to complete the September assignment.

Grade 6-8 band students will be required to fill out a weekly practice sheet. Students need to practice 70 minutes per week to receive full marks. Sheets are available in the band room. Grade 7-8 students start practice sheets September 8th, while grade 6's will start October 6th.

Thank you for all of your Support!!

Shout out to everyone who stopped by and grabbed lunch in support of our SMS travel club and our Celtics volleyball team!!! Thanks to South Country Coop for hosting grill days and letting us serve the community!!

Thanks to everyone who stopped by and supported our booth at Cornfest!!! We had a blast serving up corn on the cob for the community. We can't thank the Friends of St. Mary's, Knights of Columbus, CWL, our parent community, students, and staff enough for all their help throughout the weekend.

Dear St. Mary's School Families,

Welcome to another exciting school year! We hope that you and your children had a wonderful summer and are looking forward to the year ahead.

As your St. Mary's School Council, we would like to extend a warm invitation to all parents and guardians to become involved in our School Council. School Council is an important way for parents to have a voice, share ideas, support our school community, and help create meaningful opportunities for our students and families.

This year, we especially need your help. As the current Chair of School Council, this will be my final year serving on the Council. We will need new members to join and become involved so that our School Council can continue to grow and support St. Mary's School. We will also need to fill several executive positions in the coming year, including **Chair, Vice-Chair, Secretary, and Treasurer**.

You do not need any special experience to join—just an interest in supporting our school, our students, and our wonderful community. Whether you are able to take on an executive role, attend meetings, volunteer occasionally, or simply share your ideas, **your involvement is valued and needed.**

We invite you to join us for our **Annual General Meeting:**

**Monday, September 21, 2026
6:30 p.m.
St. Mary's School Library**

The AGM is a wonderful opportunity to learn more about what School Council does, meet other parents, and find out how you can become involved.

Members of School Council will also be available at the **Back-to-School BBQ on Thursday, September 17th**. Please stop by, introduce yourself, ask questions, and learn more about how you can help make a difference at St. Mary's.

A strong School Council depends on the participation of parents and guardians. We sincerely hope you will consider joining us. New faces, new ideas, and new energy are essential as we look toward the future.

Thank you for your continued support of St. Mary's School. We look forward to seeing you throughout the year and hope to welcome many new members to School Council!

Warm regards,

**Laurie Kerkhoff
Chair, St. Mary's School Council**

Holy Spirit Catholic School Division

...where students are cherished and achieve their potential

Dear Parents/Guardians,

At Holy Spirit Catholic School Division, we are committed to ensuring the safe arrival of all our students to school every day. To enhance our safe arrival process, we are implementing a new system that will simplify the reporting and handling of student absences at all schools.

Parents/Guardians can begin pre-reporting absences through the new SafeArrival system as early as August 24, 2026 for the start of the school year.

The new student absence reporting system, SafeArrival, allows you to report an absence in advance using a mobile app, a website, or an interactive toll-free phone line. This will help the school verify student attendance more quickly and notify parents and guardians promptly about unexpected or unplanned absences.

This new, automated SafeArrival process is part of our SchoolMessenger notification system from PowerSchool, and our new SchoolMessenger Home mobile app for iOS and Android devices. It will be available 24 hours a day, 7 days a week, to make it convenient for you to report future absences.

More information and instructions can be found on our website by following this link: [Safe Arrival](#)

Thank you for your patience and cooperation as we implement this new system.
